Module 1: Stewardship of Time

Hear from the Word: Read Psalm 90:12.

What should be our prayer concerning the use of time that God gives us?

A. Right Attitude About Time

1. As good stewards, what will we do? (Ephesians 5:16)
2. Why is the proper use of our time today so important (James 4:14)?
3. What does God demand of us in the stewardship of our time (Psalm 62:8)?
4. What does Christ admonish us to do as stewards of time until He comes again (Mark 13:33-37)?
5. If we are wise stewards and heed the commands of our Master, how will we use our time (Ephesians 5:15, 16)?

B. Right Relationship With God

1. As wise stewards concerned over the use of our time, what will we want to understand (Ephesians 5:17)?
2. What is necessary in order to know fully what is the will of God concerning the duties of our stewardship (Ephesians 5:18)?
3. The Holy Spirit will enable the faithful steward to perform the duties of stewardship by giving him _____ (Acts 1:8).
4. He will perform these duties in the name of _____. (Colossians 3:17)
5. What then will be our attitude as we so utilize the time over which God has made us stewards (Ephesians 5:19, 20)?
6. How would you describe such a useful and joyous life (John 10:10b)?

C. Most Important Use of Time

1. As wise stewards who know and are obedient to the will of God, we can be sure that we will spend much of our time aggressively doing what (Mark 16:15)?
2. What does God say about a soul winner in Proverbs 11:30?
3. Of what value is only one soul according to Christ in Mark 8:36?
4. What then is the greatest thing you can do for another person?
5. What happens in God's presence when one repents and receives Christ (Like 15:7, 10)?
6. How did Paul feel about those whom he had won to Christ (1 Thessalonians 2:19, 20)?

Apply This to My Life:

How many hours are there in a week?

Why is it that some may accomplish more than others in the same amount of time?

The time log on the next page can be of great value in the stewardship of your time. For each hour of each day, write down what you do. Figure out how much time you spend on class, with family, Christian service, business, recreation, etc.

Next, tally up the time you spent during the week on the following activities.

Stewardship of Time:

What were the number of hours or minutes you spent in each of the following areas this past week?

1. Study and class _____
2. Devotional life _____
3. Christian service _____
4. Rest _____
5. Recreation and social life _____
6. Activities and athletics _____
7. Commuting _____
8. Employment _____
9. Laundry and clean up _____
10. Other _____
11. Other _____
12. Other _____

Consider what you spent your time on. Does this reflect good stewardship? Anything you'd like to change? A schedule is a powerful tool to help make sure you accomplish what most important to you.
